INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

No member may participate in the IACUC review or approval of an activity in which that member has a conflicting interest (e.g., is personally involved in the activity), except to provide information requested by the IACUC, nor may a member who has a conflicting interest contribute to the constitution of a quorum.

The registrant only has one protocol whose PI is an IACUC member. All present IACUC functions are either directly or indirectly related to the IACUC member's protocol. This PI should not serve as a member of the IACUC because of a potential conflict of interest, but may attend the meeting and advise the IACUC as a guest.

2.31 (c) (2)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

With respect to activities involving animals, the IACUC, as an agent of the research facility, shall inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter I, subchapter A-Animal Welfare, as a basis for evaluation.

Prepare reports of its evaluations conducted as required by paragraphs (c)(1) and (2) of this section, and submit the reports to the Institutional Official of the research facility; Provided, however, That the IACUC may determine the best means of conducting evaluations of the research facility's programs and facilities; and Provided, further, That no Committee member wishing to participate in any evaluation conducted under this subpart may be excluded. The IACUC may use subcommittees composed of at least two Committee members and may invite ad hoc consultants to assist in conducting the evaluations, however, the IACUC remains responsible for the evaluations and reports as required by the Act and regulations. The reports shall be reviewed and signed by a majority of the IACUC members and must include any minority views.

If program or facility deficiencies are noted, the reports must contain a reasonable and specific plan and schedule with dates for correcting each deficiency. Any failure to adhere to the plan and schedule that results in a significant deficiency remaining uncorrected shall be reported in writing within 15 business days by the IACUC, through the

Institutional Official, to APHIS and any Federal agency funding that activity.

The IACUC has not developed a formalize checklist or instructions to provide guidance to the IACUC site inspectors in assisting them in performing the semiannual facility site visits. At the present time the site visits are not being performed every six months, and are only performed by one IACUC member. All site visits shall be performed by at least 2 IACUC members, provided that anyone who wishes to perform a site visit shall not be excluded.

The site inspectors shall prepare the reports of their visits which would include, but limited to, date of visit, site visitors, results and recommendations of the site inspection. All deficiencies that were observed on the site visit shall be classified as a significant or minor deficiency. The report shall contain a specific plan and schedule with dates for correcting each deficiency.
